NOTES TO HOMEOWNERS:

COLOR DISCLAIMER: These color chips are produced as accurately as possible; however, actual paint colors may vary from these samples and from batch to batch. Paint colors are affected by many factors, including lighting, age, type of finish, type of surface, and adjacent colors. Some colors may require more than one coat for complete coverage. If final color appearance and color matches are critical, paint should be sampled on the actual surface before full application. Application of the paint constitutes acceptance of the color. Dunn-Edwards assumes no responsibility for color after application.

COLOR USE ADVISORY: The color schemes presented are based on original color specifications approved by your community. Your community's color standards may have changed. Before undertaking your painting project, it is recommended that you seek approval of your color selections from the appropriate governing body for your community.
